

RBdigital (mobile app) and Zinio (website)  
contain electronic magazines

## Signing up

1. Go to <https://www.rbdigital.com/barrieon/zinio> in your web browser
2. Enter your library card number and PIN if necessary
3. Click **Create New Account** (upper right corner) and fill in your details

## Searching for items

- **Log in** to see all available content
- **Search box** - type the magazine title
- **Browse** - magazines are in alphabetical order
- Use the drop-down menus to browse by genre or language
- Click the magazine cover to see a description and back issues

## Check out and read online

- Click on a magazine
- Click **Checkout** to check it out
- You may check the box to 'Email me when next issue is available'
- You can **Start Reading** straight away or **Keep Browsing**
- Magazines you have checked out can be viewed by clicking **Account**  - **My Magazine Collection**
- To download magazines to your desktop or laptop you will need to install Zinio Reader:  
<https://support.zinio.com/hc/en-us/sections/201021737>

## Using the RBdigital app

- The **RBdigital** app is available for iOS and Android.  
It allows you to download and read e-magazines and some audiobooks offline on your mobile device.  
This replaces the Zinio for Libraries app from July 2017
- You must create an account on the Zinio website (see url above) before logging into the app

Options in the app menu are:

- **Magazines** – allows you to browse and checkout magazines
- **Audiobooks** – some audiobooks are also available
- **Checked Out** - displays the magazines and audiobooks you have checked out.  
Magazines have no return date and are permanently checked out to you
- **Wishlist** – allows you to save favourite titles to check out later

When checking out a magazine you can check a box to set up an email alert for each new issue
